

PES Intra Debate 2020 - Vigilance Week

Debsoc

RR

Introduction

Debsoc is a Debating Society; where our members, can learn, practice and compete in various parliamentary debates across the globe.

The main formats we practice are Asian and British Parliamentary Debates. Our society has a store of matter and information passed down from previous batches to help equip each successive batch with better and more refined debating skills.

We pride ourselves on being an open soc and allowing any individual regardless, or their identity, background and prior debating skill, to join our society.

Overview of the Event

What is it?

- An intra asian parliamentary tournament.
- 3 vs 3
- 4mins and 20 seconds for each speech
- 15 mins of preparation time.
